### Introducing

# **LUXOR®** ZDC

### Zoning and Dimming + Color

The Luxor ZDC provides the ability to create 30,000 colors using RGBW LED technology. With the ZDC, custom colors can be created for outdoor holiday displays, team spirit themes, company colors, or special events. Color temperatures can be adjusted to match vegetation and architecture, offering unique landscape looks throughout the year.

Using the color bars, simply select the desired hue (color), saturation level and intensity (brightness) for any light or group of lights in the Luxor ZDC system. You can save custom colors for easy access.

### HOW TO CONVERT A ZD INTO A ZDC

Any Luxor ZD can be upgraded to a ZDC quickly and easily. Simply replace the existing facepack with a new ZDC facepack. Then, change out the components of each fixture with a new RGBW LED board, ZDC reflector, and new frosted lens. The ZDC is currently compatible only with fixtures that have 9LED capability.

### LIGHT UP THE NIGHT WITH LED color filters

Most standard and ZD LED fixtures include three color filters and a frosted lens, enabling customization of the color temperature and beam spread before or after installation. More options make it easy to accent the highlights of any landscape. Magnify the beauty of

green leaves at the start of summer with a green filter; boost the warmth of autumn colors come fall; or showcase the stark beauty of bare bark during winter with a blue filter to create drama and allure in an otherwise dormant landscape.

#### Color filtration

The chrome reflector is the basis for all stacking filters

#### From the top

Add and remove filters by interlocking them with a quarter turn

#### Seamless integration

Frosted filters or beam angle lenses soften and diffuse color filters or LED glare

#### FILTER COLOR TEMPERATURES CCT (K)

Frosted 3900 Amber 2700 **Green** 4500 Blue 5200

### Luxor® ZD and ZDC Features

With complete Zoning and Dimming capabilities, optional Wi-Fi control, and now color creation, the Luxor lighting control system offers unsurpassed freedom and flexibility.

#### **Main Features**

- Up to 250 independently adjustable lighting groups can be created
- · Compatible with an FX LED fixture or device with FX zoning, dimming, or color capabilities only
- · All groups can be turned on independently and dimmed from 1-100%
- User interface includes a full color LCD display for easy setup, maintenance and adjusting of groups
- Uses event-based scheduling, which allows a single group of lights to change dimming percentages throughout the night
- Optional iOS or Android control with the Wi-Fi module accessory (sold separately)
- Wirelessly assign fixtures to groups with the LAM accessory\* (sold separately)

#### **Detail Features**

- Simple two-wire configuration for easy installation and adjusting
- No matter where a light is within a system, it can communicate with the transformer to receive its schedule, dimming percentage, and group
- · Astronomical Timing Function with Map Placement

#### **ZDC Features**

All of the features of the Luxor ZD plus:

- Offers 30,000 different color choices for unmatched ability to customize landscape lighting for any occasion, season, or mood
- Create a personalized color palette of 250 user-saved options

Smartphone with Luxor Wi-Fi App to wirelessly adjust lighting at any time

Smartphone with Light Assignment Module (LAM) wirelessly assigns fixtures to groups using ActivAssign™ technology

## **RP**

#### **DIMENSIONS**

Height: RG: 9"/22.86 cm LV: 9.3"/23.6 cm CW: 11"/27.9 cm Diameter: 6.75"/17.15 cm Material: Brass or Composite There is not a more versatile subterranean product than the RP. It can be configured to wall wash in tight spaces with a spread beam or provide a long, narrow projection of light for a tall palm...even after installation.

DESCRIPTION	CODE
FIXTURE	RP
LAMP	10, 20, 35, 50 (Halogen MR-16), NL (No lamp)
GRATES	RG (Ring), LV (Louver), CW (Cowling)
FINISHES	

#### FINISHES

**EXAMPLE:** RP-35-LV-BS = RP - HALOGEN 35W LAMP - LOUVER - NATURAL BRASS FINISH

## FC

### **DIMENSIONS**

Height: RG: 4.8"/12.19 cm LV: 5.1"/13 cm CW: 6.8"/17.3 cm Diameter: 4"/10.16 cm Material: Brass or Composite The subterranean FC introduces glare-free controlled illumination into smaller scale spaces. Applications may include areas behind potted plants, or in front of the entrance columns of a stately residence.

DESCRIPTION	CODE
FIXTURE	FC
LAMP	20 (Halogen MR-11)
GRATES	RG (Ring), LV (Louver), CW (Cowling)

### **FINISHES**

Metals		Composites		
			8

STATEMENT OF WARRANTY Hunter Industries Incorporated ("Hunter") warrants FX Luminaire ("FX") Transformers to be free of defects in materials or workmanship under normal use for a period of ten (10) years from the original date of installation. Hunter warrants FX Low Voltage Lighting Fixtures to be free of defects in materials or workmanship under normal use for a period of three (3) years from the original date of installation. Hunter extends the warranty on FX Fixtures to ten (10) years from the original date of installation when both FX Fixtures and Transformers are installed on the same project exclusive of any competitor's product. Hunter warrants FX LED Fixtures to be free of defects in materials or workmanship under normal use for a period of ten (10) years from the original date of installation. If a defect in a FX product is discovered during the applicable warranty period, Hunter will repair or replace, at its option, the product or the defective part. This warranty does not extend to repairs, adjustments, or replacement of a FX product or part that results from misuse, negligence, alteration, modification, tampering, or improper installation and/or maintenance of the product. This warranty extends only to the original installer of the FX product. If a defect arises in a FX product or part during the warranty period, you should contact your local FX Authorized Distributor.

FX'S OBLIGATION TO REPAIR OR REPLACE ITS PRODUCTS AS SET FORTH ABOVE IS THE SOLE AND EXCLUSIVE WARRANTY SET FORTH BY FX. THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FX WILL NOT BE LIABLE TO DISTRIBUTOR OR ANY OTHER PARTY IN STRICT LIABILITY, TORT, CONTRACT, OR ANY OTHER MANNER FOR DAMAGES CAUSED OR CLAIMED TO BE CAUSED AS A RESULT OF ANY DESIGN OR DEFECT IN FX'S PRODUCTS, OR FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES OF ANY NATURE, INCLUDING WITHOUT LIMITATION LOST BUSINESS OR PROFITS. NOTWITHSTAND-ING THE FOREGOING, IF FOR ANY REASON FX IS FOUND TO BE LIABLE IN NO EVENT SHALL FX'S LIABILITY EXCEED THE PRICE OF THE PRODUCT WHICH GIVES RISE TO THE CLAIM, LOSS, OR DAMAGE.

If you have any questions concerning the warranty or its application, please write to: Customer Service Department, FX Luminaire, 1940 Diamond Street, San Marcos, CA 92078, U.S.A.

## **FX**Luminaire.

Our mission is to create the most energy efficient lighting products in the world while maintaining the highest level of quality and reliability. In every instance we will back our innovations with the unwavering support our customers need to succeed

Gregory R. Hunter, President of Hunter Industries
